About us

- The School of Economics and Business in Sarajevo (SEBS) was established in 1952 and it is a member of the University of Sarajevo
- SEBS has the longest tradition and is the largest higher-educational institution in Bosnia and Herzegovina.
- It is a leading institution in the BH higher education system in the creation and dissemination of knowledge in the fields of economics and business administration.

About us

- More than 20.000 students have graduated from our I, II and III cycle programmes
- SEBS is the only educational institution in B&H that has the EPAS accreditation awarded by the European Foundation for Management Development - EFMD as well as the AACSB accreditation

About us

- SEBS employs highly qualified researchers and teachers (85 full time staff is engaged in teaching process)
- It puts a significant emphasis on relations with the business world in order to confront both teachers and students with practical cases. These relations are established through: (1) managing and implementing various EU funded projects (2) Courses and projects organized by the Business Academy, (3) Consultancy projects for businesses and institutions carried out by the Institute, (4) Activities of the Business Advisory Board, (5) Senior projects – students are asked to prepare and present their senior projects in teams of 3-4 classmates (6) Guest Speakers from the business world are often invited to deliver lectures on both undergraduate and graduate subjects of study (7) Scientific research (8) Different master and PhD programs.
